

St Paul Malmesbury Without Parish Council

Report #01.4

Foxley Road signage

1. Purpose of the report

- 1.1 To seek council support for the proposed Local Highway & Footpath Improvement Group (LHFIG) solution to the potential highway hazard for pedestrians crossing the Foxley Road in the vicinity of Turtle Bridge.

2. Background

- 2.1 A Minor Highway Improvement report was submitted to the LHFIG by a local resident; the report was discussed by the council and supported.
- 2.2 The LHFIG Highways officer has proposed two new signs mounted on a post on the northerly approach to the bend by Turtle Bridge - see below. The cost of the project will be in the order of £300 of which the council will need to contribute 30%.

3. Options

- 3.1 To decide not to pursue the solution
- 3.2 To support the solution and agree to the contribution of circa £100

4. Financial Implications

- 4.1 The contribution of £100 can be funded from the council's reserves.

5. Recommendation

- 5.1 Option 3.2 is recommended.
