Wiltshire Council

How does it work?

1- Registration

Register today for a better deal with no obligation!

2- Auction

Pre-approved solar installers compete in a reverse auction, and the best offer wins.

3- Personal recommendation

Receive a personalized recommendation via email, detailing your costs and installation specifications.

4- You decide

You decide whether to accept your recommendation with no obligation. You have four weeks to make your decision.

5- Installation

Upon acceptance, the winning installer will contact you to survey your roof and schedule installation, expected within six months.
